

Madison Strategic Sector Premium Fund and Madison Covered Call & Equity Strategy Fund Announce Intention to Merge followed by Tender Offer

MADISON, Wis., June 29, 2018 (GLOBE NEWSWIRE) -- Madison Strategic Sector Premium Fund (NYSE:MSP) and Madison Covered Call & Equity Strategy Fund (NYSE:MCN) today announced that the Boards of Trustees of MSP and MCN (collectively, the "Funds") approved the merger of MSP with and into MCN (the "Surviving Fund"), subject to the satisfaction of applicable legal and regulatory requirements (the "Merger"). The two Funds have identical investment objectives and investment strategies. In addition, both Funds are managed by the same portfolio management team at Madison Asset Management, LLC ("Madison"), the investment adviser to the Funds. The Merger, which requires approval by shareholders of both Funds, is expected to be a tax-free transaction completed during the third quarter of 2018.

The Boards of Trustees have also approved conducting a tender offer for up to 25% of the outstanding shares of the Surviving Fund at a price equal to 99.5% of net asset value at the close of trading on the date the tender offer expires (the "Tender Offer"). The Tender Offer would be completed following consummation of the Merger. The specific dates for the Tender Offer will be announced separately, but it is currently anticipated that the Tender Offer will commence in October 2018 and end in November 2018. Additional terms and conditions of the Tender Offer will be set forth in offering materials, which will be distributed to shareholders.

The Funds also announced that they have reached a settlement with Karpus Management, Inc. ("Karpus"), the largest shareholder of both MSP and MCN, pursuant to which Karpus has agreed to support the Merger and withdraw the shareholder proposals and trustee nomination it had previously submitted to MSP and/or MCN (the "Settlement Agreement"). Karpus has also agreed to certain customary standstill provisions. The Settlement Agreement, which is qualified in its entirety by reference to the full text of the Agreement, will be filed by the Funds with the Securities and Exchange Commission (the "SEC") and will be available free of charge at the SEC's website, <http://www.sec.gov>.

The Boards believe the Merger and subsequent Tender Offer are in the best interests of the Funds and their shareholders. The Merger will permit MSP shareholders to pursue the same investment strategy in a larger fund, while the Tender Offer may help to reduce the trading discount.
